Good morning.

Thank you for your email. Our in-house internal medicine physicians are hospitalists. They only care for patients who are in the hospital on behalf of the patient's primary care physician and are not primary care physicians themselves.

If you would like a primary care physician in Franklin, Rahul Sawant, MD is accepting new patients. His office is located at 770 Pond Street in Franklin and his phone number is 508-528-3814. I don't know if he accepts your insurance but if you call, his office can tell you.

If you would like to find a primary care physician outside of Franklin, you can call our Physician Referral Line at 1-888-377-4373 and they will match you up with someone who accepts Harvard Pilgrim.

Please let me know if I can help in any other way.

Regards,
Debby Oldham

To Whom It May Concern:

My husband and I are currently living in Franklin, MA and are looking for a Primary Care Physician with Milford Regional Hospital. We would prefer to have someone In-House at the hospital. We both have insurance with Harvard Pilgrim.

I am not sure if you offer in-house primary care physicians. If you can assist me or direct to the appropriate department, I would appreciate it.

Sincerely,

Annie Khan-Dookhan
